12.9. The maximum tender under the Buyback by any Eligible Shareholder cannot exceed the number of Equity Shares held by the Eligible Shareholder as on the Record Date. In case the Eligible Shareholders hold Equity Shares through multiple demat accounts, the tender through demat account cannot exceed the number of Equity Shares held in that demat account.

12.10. The Equity Shares tendered as per the entitlement by Eligible Shareholders holding Equity Shares of the Company as well as additional Equity Shares tendered, if any, will be accepted as per the procedure laid down in the Buyback Regulations. The settlement of the tenders under the Buyback will be done as per the SEBI Circular on *"Mechanism for acquisition of shares through Stock Exchange pursuant to Tender-Offers under Takeovers Buy Back and Delisting"*.

12.11. Participation in the Buyback by shareholders may trigger tax on the consideration received on Buyback by them. Pursuant to amendments effective April 1, 2026, the tax on income from the buyback of shares is now levied directly on the shareholders. Previously from October 1, 2024, until March 31, 2026, buyback proceeds were fully taxed as deemed dividends at the shareholder's applicable slab rates. The original cost of acquiring the shares is recognized as a capital loss, which be set off against other capital gains. Here are the key features of the new system:

Aspect	Details
Tax Incidence	The tax is now payable by the shareholders on the gains made from the buyback, not by the Company
Nature of Income	The income is treated as Capital Gains in the hands of the shareholder.
Computation of Gains	Capital Gains are calculated as the difference between the buyback price offered by the Company and the shareholder's original cost of acquiring the shares.
Applicable Tax Rate	The rate depends on the holding period: • Long-Term Capital Gains (LTCG); For shares held over 12 months, a rate of 12.5% is applicable (with an exemption up to ₹1.25 lakhs). • Short-Term Capital Gains (STCG): For shares held for 12 months or less, the gains are taxed at applicable slab rates

12.12. Detailed instructions for participation in the Buyback (tender of Equity Shares in the Buyback) as well as the relevant timetable will be included in the Letter of Offer to be sent in due course to the Eligible Shareholders.

Upon placing the bid, the Stockbroker shall provide a TRS generated by the Stock Exchanges' bidding system to the Eligible Shareholder. The TRS will contain the details of the order submitted like folio number, certificate number, distinctive number, number of Equity Shares tendered, etc.

The envelope should be superscribed as **"Wipro Buyback Offer 2026"**. One copy of the TRS will be retained by the Registrar and it will provide acknowledgement of the same to the Stockbroker/Eligible Shareholder.

iv. Eligible Shareholder holding physical Equity Shares should note that physical Equity Shares will not be accepted unless the complete set of documents are submitted. Acceptance of the physical Equity Shares for Buyback shall be subject to verification as per the Buyback Regulations and any further directions issued in this regard. The Registrar will verify such bids based on the documents submitted on a daily basis and till such time the Stock Exchanges shall display such bids as 'unconfirmed physical bids'. Once the Registrar confirms the bids, it will be treated as 'confirmed bids'.

v. In case any Eligible Shareholder has submitted Equity Shares in physical form for dematerialisation, such Eligible Shareholders should ensure that the process of getting the Equity Shares dematerialised is completed well in time so that they can participate in the Buyback before the closure of the tendering period of the Buyback.

vi. An unregistered shareholder holding Equity Shares in physical form may also tender their Equity Shares in the Buyback by submitting the duly executed transfer deed for transfer of shares, purchased prior to the Record Date, in their name, along with the offer form, a copy of their PAN card and of the person from whom they have purchased shares and other relevant documents as required for transfer, if any.

vii. Even if the Eligible Shareholder does not receive the Letter of Offer along with a tender form, the Eligible Shareholder may participate and tender shares in the Buyback.

13.14. METHOD OF SETTLEMENT

Upon finalization of the basis of acceptance as per Buyback Regulations:

i. The settlement of trades shall be carried out in the manner similar to settlement of trades in the secondary market.

ii. The Company will pay the consideration to the Company's Broker who will transfer the funds pertaining to the Buyback to the Clearing Corporation's bank accounts as per the prescribed schedule. For Equity Shares accepted under the Buyback, the Clearing Corporation will make direct funds payout to respective Eligible Shareholders. If Eligible Shareholders' bank account details are not available or if the funds transfer instruction is rejected by the Reserve Bank of India/Eligible Shareholder's bank, due to any reason, then such funds will be transferred to the concerned Stockbroker's settlement bank account for onward transfer to such Eligible Shareholders.

iii. For the Eligible Shareholders holding Equity Shares in physical form, the funds pay-out would be given to their respective Stockbroker's settlement accounts for releasing the same to the respective Eligible Shareholder's account.

iv. In case of certain client types, i.e., NRI, foreign clients, etc. (where there are specific RBI and other regulatory requirements pertaining to funds pay-out) who do not opt to settle through custodians, the funds pay-out would be given to their respective Stockbroker's settlement accounts for releasing the same to the respective Eligible Shareholder's account. For this purpose, the client type details would be collected from the Indian Depositories, whereas funds pertaining to the bids settled through custodians will be transferred to the settlement bank account of the custodian, each in accordance with the applicable mechanism prescribed by BSE and the Clearing Corporation from time to time.

v. Details in respect of shareholder's entitlement for tender offer process will be provided to the Clearing Corporations by the Company or Registrar to the Buyback. On receipt of the same, Clearing Corporations will cancel the excess or unaccepted blocked shares in the demat account of the shareholder. On settlement date, all blocked shares mentioned in the accepted bid will be transferred to the Clearing Corporations.

vi. In the case of inter depository, Clearing Corporations will cancel the excess or unaccepted shares in target depository. Source depository will not be able to release the lien without a release of IDT message from target depository. Further, release of IDT message shall be sent by target depository either based on cancellation request received from Clearing Corporations or automatically generated after matching with bid accepted detail as received from the Company or the Registrar to the Buyback. Post receiving the IDT message from target source depository, source Depository will cancel/release excess or unaccepted blocked shares in the demat account of the shareholder. Post completion of tendering period and receiving the requisite details viz., demat account details and accepted bid quantity, source depository shall debit the securities as per the communication/message received from target depository to the extent of accepted bid shares from shareholder's demat account and credit it to Clearing Corporation settlement account in target depository on settlement date.

vii. Any excess physical Equity Shares pursuant to proportionate acceptance/rejection will be returned back to the Eligible Shareholders directly by the Registrar. The Company is authorized to split the share certificate and issue a new consolidated share certificate for the unaccepted Equity Shares, in case the Equity Shares accepted by the Company are less than the Equity Shares tendered in the Buyback by Equity Shareholders holding Equity Shares in the physical form.

viii. The lien marked against unaccepted Equity Shares will be released, if any, or would be returned by registered post or by ordinary post or courier (in case of physical shares) at the Eligible Shareholders' sole risk. Eligible Shareholders should ensure that their depository account is maintained till all formalities pertaining to the Buyback are completed.

ix. The Company's Broker would also issue a contract note to the Company for the Equity Shares accepted under the Buyback.

x. The Equity Shares bought back in demat form would be transferred directly to the demat account of the Company opened for the Buyback (the **"Company Demat Account"**) provided it is indicated by the Company's Broker or it will be transferred by the Company's Broker to the Company Demat Account on receipt of the Equity Shares from the clearing and settlement mechanism of the Stock Exchanges.

xi. Eligible Shareholders who intend to participate in the Buyback should consult their respective Stockbroker for any cost, applicable taxes, charges and expenses (including brokerage), stamp duty etc., that may be levied including by the Stockbroker upon the Eligible Shareholders for tendering Equity Shares in the Buyback (secondary market transaction). The Buyback consideration received by the Eligible Shareholders in respect of accepted Equity Shares could be net of such costs, applicable taxes, charges and expenses (including brokerage) and the Company accepts no responsibility to bear or pay such additional cost, charges and expenses (including brokerage and/or stamp duty) incurred solely by the Eligible Shareholders. The Stockbrokers(s) would issue contract note and pay the consideration for the Equity Shares accepted under the Buyback.
