IISWBM offers Experiential Learning in its MBA Programme

The MBA (Day) 2026–2028 batch of the Indian Institute of Social Welfare and Business Management (IISWBM) visited Hindustan Unilever Limited (HUL) on 13 July 2026 to gain practical exposure to tea manufacturing, quality assurance, and industrial operations. The visit was organized under the guidance of Professor Dr. Krishna Murari Agrawal, Director, IISWBM Kolkata, and Professor Dr. Tanima Ray, Head, MBA Department, IISWBM Kolkata. The students were accompanied by the Faculty Coordinators, Dr. Joy Chakraborty and Mrs. Swati Chatterjee (MBA Office), with the support of the Student Coordinators, Ratul Bhattacharya and Megha Dey. The visit commenced with an interaction on the best practices followed at HUL's state-of-the-art Khargapur Factory (KPF) and Tea Excellence Centre. The session was led by Mr. Sanjay Sequeira, Mr. Biswajit Kundu (Unit HR Manager – KPF & Tea Excellence Centre), and Mrs. Monika Agarwal (Senior Unit HR, HUL Kolkata), who shared valuable insights into quality standards, operational excellence, innovation, human resource practices, and HUL's commitment to sustainable manufacturing. To facilitate an engaging learning experience, the students were divided into two groups. One group visited the tea factory, where they observed tea processing, blending, packaging, storage, and quality control. The second group visited the Tea Excellence Centre, where experts demonstrated the scientific and sensory evaluation of tea based on parameters such as dry leaf appearance, aroma, liquor colour, flavour, strength, and overall quality. Students also learned how these evaluations determine tea grading, pricing, and bidding before market release. Overall, the industrial visit successfully bridged theoretical concepts with practical industry practices, enhancing students' understanding of production management, quality assurance, supply chain operations, and the best practices followed by one of India's leading FMCG companies.
