• ROYAL STARS

BY GEORGIA NICOLS

ARIES (MAR 21 - APR 20): It's a poor day for important discussions about financial matters, shared property, inheritances, wills, insurance issues and discussing the wealth of your partner or someone else. Table these topics for another day. Tonight: Check your finances.

TAURUS (APR 21 - MAY 21): Life is a bit confusing today because you're very determined about something. And obsessive thinking can obscure your ability to see the big picture. To keep the peace, tread carefully with parents and authority figures. Tonight: Listen and cooperate.

GEMINI (MAY 22 - JUNE 21): Today you might be excited about a secret love affair or some kind of secret pleasure. You might make a commitment to a particular cause that is political or personal. You might even have secret travel plans. Tonight: Work and get organised.

CANCER (JUNE 22 - JULY 23): Relations with a friend or a group might be emotional today. You might have to confront someone. Do not let someone else manipulate you or use guilt or jealousy as a technique. Tonight: Socialise!

LEO (JULY 24 - AUG 23): Tread carefully today because you might bump heads with authority figures. You have strong feelings about something today. Possibly this relates to a domestic situation or a partner. Step back. Be conciliatory. Tonight: Relax at home.

VIRGO (AUG 24 - SEP 23): Steer clear of arguments today and resist the urge to make someone agree with your way of thinking. This is not your best choice. People have strong feelings and strong opinions today. Don't get caught in the crossfire. Tonight: Important conversations.

LIBRA (SEP 24 - OCT 23): Your best option today is to work alone because everyone has a strong opinion, especially about financial matters. Romance is also a passionate issue. Tonight: Take care of your possessions.

SCORPIO (OCT 24 - NOV 23): You have strong opinions and feelings today, and you might make your case. You are best served by working alone and setting aside some time for some friendly, easygoing socialising. Tonight: You win.

SAGITTARIUS (NOV 24 - DEC 22): Do your best to be patient and diplomatic with co-workers today (as well as care workers), because it's easy to get in a power struggle with someone. Don't do this; it will be regrettable. (Tomorrow is a fabulous day!) Tonight: Enjoy privacy.

CAPRICORN (DEC 23 - JAN 20): Avoid dicey communications with romantic partners today. Parents should take it easy when dealing with your kids. Resist making things a black or white issue. Be smart and postpone important discussions until tomorrow. Tonight: Be friendly.

AQUARIUS (JAN 21 - FEB 19): Emotions are running high today because people are opinionated and stubborn. (You know who you are.) Be diplomatic when dealing with family members today. Don't make a big deal about things. If you sidestep these issues, you can actually get a lot done. Tonight: You're noticed.

PISCES (FEB 20 - MAR 20): You're pumped with energy and ready to speak. However, everyone is highly opinionated today, including you. Acting on sudden urges and impulses might not be a good influence for you in the long run. Take a breath. Tonight: Explore.
