The fest also hosts inter-school and inter-university competitions in dance, singing, and painting, along with one of ICARIA's most awaited attractions, the Fashion Show. With innovation, creativity, and star power coming together, ICARIA 2K26 promises an electrifying four-day celebration of youth and talent.

MSME clusters, through collective resources and efficiencies, act as key drivers of sustainable growth. By focusing on cluster-based development, the event aligns academic discourse with national productivity goals and evolving policy priorities.

Trophies and certificates will be awarded to winners, with participation certificates for all attendees. The last date for registration is 11 February 2026.
